Hey! I'm Kristi!

When creating Verve Studio...

it was important that my guests have a personalized experience in a private setting & that I created an environment that revolved around sustainability, integrity, good vibes and great hair.

My goal is that you feel as good as you look when walking out.

The products I use are sustainable & high performance.

When I am not at the studio I can be found hanging out with my dogs or my husband, riding my peloton or at Disney.

Pre-Visit

You'll receive a text/email reminder 6 days & again 2 days prior to your service where you have the option to confirm or reschedule your visit.

Be My Guest

At your appointment we will discuss your hair goals and on going maintenance. I will recommend products for you to keep up with the look at home as well!

Between Visits

Be sure to follow us on social media for up to date information & use the recommended at home hair care for the healthiest hair!

YOUR FIRST *Visit*

1

We are located inside of the Sola Salons Building. Same parking lot as Pet Supplies Plus & Club Pilates. There is ample, free parking in our lot.

2

Please arrive 10 minutes prior to your appointment. We are a boutique studio and need advance notice if you'd like to request to bring a guest to ensure we have the space.

3

When you arrive please use the keypad and hit '027' to be buzzed into studio 27 if the Sola front door is locked. If it's open, walk right in & if our studio door is closed please remain seated in the hallway as we may be finishing a prior guest.
